About Us

LW Office Furniture Warehouse is one of the Midwest's largest new and used office furniture warehouses. We have been in business for over 35 years, with one mission - "To offer high quality and affordable office furniture". We are a value driven company that puts customers first, with a 4.9 - 5.0 review rating on Google reviews. LW Office Furniture Warehouse has been awarded the 43rd fastest growing company in Cincinnati by The Business Courier. All of our inventory can be seen online at www.lwofficefurniturewarehouse.com where you can search by location and/or product category.

Specifications

Product Outline

The Euroline line consists of desks, credenzas, returns, bridges, hutches, lateral files, bookcases, multiple storage options, and conference tables.

Construction

Tops, side panels and cases use 1" thick three ply balanced panels of particle board finished in premium grade thermally infused melamine.

Finishes

5 Finishes available: Samoa Gray, Espresso Mahogany, Walnut, and White

Locks

All storage is lockable. Our standard is all storage are keyed alike. Specific keying options are available if required.

Grommets

Grommets for data and power are provided in boxes for all desk tops, returns, bridges, and credenzas.

Edge Treatment

We provide fluted edge banding at no additional charge on all of our furniture tops.

Drawer Pulls

Our standard pull is an hourglass shape in a satin nickel finish. Black pulls in the hourglass shape are also available.

Warranty

Coverage is as follows:

The warranty period for Euroline purchased from LW Office Furniture Warehouse is 10 years from the date of purchase. The warranty period for Euroline Sit Stand Desk purchased from LW Office Furniture Warehouse is 2 years on all electrical issues and 5 years on all mechanical issues. During the warranty period, LW Office Furniture Warehouse will at its discretion, repair or replace any products found to be defective in materials. This warranty will apply to the original purchaser and is not transferable. Given normal use and care of single shift service, standard commercial usage, defined as a 40 hour work week.

This warranty does not cover:

- Cost of transportation or labor
- Damage caused by transportation
- Negligence or alteration by the purchaser
- Misuse

Limitation of Liability

Under no circumstance, including but not limited to breach of contract, breach of warranty or negligence, shall LW Office Furniture Warehouse be liable for lost profits, loss of goodwill, stored data, general, special, consequential or exemplary damages, even if LW Office Furniture Warehouse had notice of these damages or they were foreseeable. LW Office Furniture Warehouse shall not be responsible for verifying dealer's or customer's description of needs, data, or the application for a particular purpose of goods. LW Office Furniture Warehouse liability in all cases shall be limited to repair or replacement of the defective parts, or the purchase price of the product. Damages resulting from misuse, abuse, alteration, negligence, or accidents are not covered under this warranty. Except as otherwise provided, the company makes no other warranties, expressed or implied, including but not limited to the warranties of merchantability and fitness for a particular purpose.

To obtain warranty service, you must contact LW Office Furniture Warehouse. From there we will contact you for further information.

As a manufacturer of wood based goods, we have a responsibility to do our part for the planet. There is an inevitable need for office furniture, but we will always work to ensure that our products are as carbon neutral as possible.

The wood used to make our products is sourced from a sustainable forest. **A sustainable forest is a forest that is carefully managed so that as trees are felled, they are replaced with the seedlings that eventually grow into mature trees.**

CARB Certified

When a product bears Greenguard gold certification, it means that it is designed for indoor spaces in such a way that it meets strict chemical emissions limits and has been tested for more than 10,000 chemicals.

TSCA Title VI

To comply with TSCA Title VI, all imported materials that are composite wood products must be tested and certified, ensuring only compliant materials enter the product supply chain.

CARB Certified

To receive CARB Certification, manufacturers undergo quarterly inspections and testing, and routine quality control testing at manufacturing locations. Manufacturers that earn certification demonstrate that their panels comply with the emission standards by labeling their panels as CARB Phase 2 compliant.

Care & Maintenance

Laminate & Melamine

Our Kai Collection of laminate casegoods are finished in a flame resistant melamine. Laminate is more resistant to scratches, stains and damage than other materials such as veneer, but it is susceptible to water damage. To maintain the integrity of the finish, it is important to follow these do's and don'ts:

Do

- ✔ Dust regularly
- ✔ Use a cloth dipped in water and gently wrung out before wiping the surface
- ✔ Wipe up spills quickly
- ✔ Use a soft toothbrush for hard to reach areas
- ✔ Pat dry any wet areas, do not scrub
- ✔ Apply baking soda in a thick paste, leave to set for a few minutes, then wipe away to remove stains
- ✔ Use diluted vinegar solution or mild soaps

Don't

- ✘ Use furniture polish
- ✘ Soak the surface or leave liquid on it (including condensation from cups or bowls)
- ✘ Scrub
- ✘ Use bristle brushes
- ✘ Expose to high temperatures (yes, even a hot coffee mug can cause damage)

Height Adjustable Base

Our iRize Height Adjustable Desk has a dual motor system and base that needs to be maintained to keep your desk adjustments smooth.

Do

- ✔ Make sure there are no obstacles in the desk's path
- ✔ Dust regularly
- ✔ Unplug before cleaning
- ✔ Use a damp dish cloth to wipe the base, careful of the internal electrical parts
- ✔ Check for loose areas and tighten them
- ✔ Check the electrical cord for damage and replace immediately if you find any

Don't

- ✘ Place the desk too close to the wall to avoid scrapes or scratches
- ✘ Interrupt the desk while it is in motion
- ✘ Expose the motor to moisture or water
- ✘ Leave drinks on the tabletop while the desk is in motion
- ✘ Allow the base to overheat
- ✘ Use abrasive or corrosive materials for cleaning
